

MAY 15 & 16, 2010

**The 2K Run/Walk & MaraFun program
PLUS
The Desjardins General Insurance 10K Student Relay**

Dear School Principal/Physical Education Teacher,

The 2010 Mississauga Marathon, a race for everyone, will be held on May 15th & 16th. Have you thought of including any of the seven events in your school's athletic and activity program? There is a 2K, 5K, 10K, 10K Student Relay, Half Marathon, Marathon & Marathon Team Relay to help promote a healthy lifestyle within your school!

During the last six years many schools have embraced the event as a catalyst to promote winter and spring fitness and fuel school spirit. In 2009, St. Christopher's won the MaraFun Cup with 60 participants.

In 2010, the Mississauga Marathon is introducing a number of new initiatives to make participation easier and the benefits more tangible to teachers, parents, schools participating and of course to children themselves:

- *Teachers will be able to print, hand out, collect registration forms & fees plus register up to 100 participants at a time online using the school name and address in the 2K & MaraFun program.*
- *All schools registering 25 or more students in the 2K & MaraFun program will have their race kits & T-shirts pre-picked to speed pick up at the expo. All 10K Student Relay team race kits & T-shirts will also be pre-picked for pick up.*
- *All schools are encouraged to incorporate the 2K & 10K Student Relay events as fundraisers for their own athletic program. The pledge form is available on the website.*
- *All MaraFun participants who raise more than \$50 for their school will have their entry fee refunded.*
- *All student 5K participants who raise more than \$100 for their school will have their entry fee refunded.*
- *The top three schools with the highest number of participants will receive \$250, \$150, and \$100 respectively.*
